

## Hitachi Receives Positive Rating in 2023 Gartner® Vendor Rating Report for Second Consecutive Year

**Tokyo and Santa Clara, Calif. – February 17, 2023** — Hitachi, Ltd. ("Hitachi") (TSE: 6501) and Hitachi Vantara announced an Overall Positive rating in the Gartner Vendor Rating: Hitachi report for the second consecutive year. Assessing the technology provider's offerings and strategic direction against its business objectives, the report helps customers understand how Hitachi is performing and how Hitachi can be a partner in their IT and digital/DX initiatives against its vision and strategy aligned to its IT/Digital offerings.

Hitachi understand that the results of this report as an acknowledgement of the strategic potential of Hitachi Digital<sup>1</sup>, established in April 2022, to drive the growth model of Hitachi's digital business(Lumada), including digital engineering, system integration, connected products, and managed services, on a global basis.

Headquartered in Japan, Hitachi's workforce accounts for approximately 370,000 employees operating in a wide range of business spanning IT, OT ("Operational Technology"), and products over 100 countries and regions. To meet the growing needs for digital transformation("DX") in the energy, transportation, industrial, manufacturing ,and other social infrastructure sectors, Hitachi Digital was launched as a command center to connect IT, OT, and products globally. Under Hitachi Digital's lead, synergies among GlobalLogic, Hitachi Vantara, Hitachi Energy, Hitachi Rail and others are accelerating the creation of innovations with numerous global customers.

Hitachi Group's comprehensive global capabilities combine a high level of expertise in IT, OT, and products to create unique and unparalleled social value through the provision of innovative solutions that challenge the global issues.

Hitachi will continue to support customers' DX journey with a focus on business results, based on the experience and knowledge it has accumulated over the years and in collaborating with the Lumada ecosystem, including the Lumada Alliance Program<sup>2</sup>, which enables collaborating with partners across industries.
